SPRINT-2

(31/10/22 – 05/11/22)

The screenshot displays the Jira Software interface for a SPRINT 2 board. The board is organized into columns: TO DO, IN PROGRESS, and DONE 3 OF 16 ISSUES. The TO DO column contains a card for PROJECT-6, which is expanded to show three sub-tasks: Proposed solution (PROJECT-7), Problem Solution Fit (PROJECT-8), and Solution Architecture (PROJECT-9). Each sub-task has a status icon (green checkmark) and a priority icon (blue circle with '1', red circle with 'EV', and blue circle with 'R' respectively). The interface includes a sidebar with navigation options like Roadmap, Backlog, Board, Reports, Code, Project pages, Add shortcut, and Project settings. The top navigation bar shows 'Jira Software' and various filters and search options.
